Message From President & Hon. Secretary

Dear Members,

“Medicine is not only about adding years to life, but also about adding life to years.”

With immense joy and gratitude, we present another edition of AMA Medico News, reflecting the vibrant journey of the Ahmedabad Medical Association. Every activity during the past month has reaffirmed our vision of “Beyond Scalpel & Stethoscope”—a vision that encourages doctors to excel not only as clinicians but also as leaders, learners, mentors, artists, social contributors, and compassionate human beings.

The past month has truly been one of the most active and fulfilling periods in AMA's recent history.

Our landmark seminar Practice 2030 – Navigating the Future of Medical Practice brought together more than 200 doctors and hospital administrators to deliberate on the future of healthcare. Discussions on practice models, hospital growth, ethical marketing, digital transformation, and NABH/NABL accreditation empowered participants to prepare for the evolving healthcare landscape. We sincerely thank the Quality Council of India, NABH, NABL and Eastern Medical Forum for their invaluable support in making this academic initiative a grand success.

Scientific excellence continued with the Dr. Love Dalal Scientific Program in collaboration with SAL Hospital. The sessions on oncology, cardiology, longevity medicine and artificial intelligence highlighted how rapidly medicine is advancing and reinforced our commitment to lifelong learning.

Doctors' Day Week was celebrated not merely as a ceremonial occasion but as a festival of service, knowledge, culture and wellness. Our Blood Donation Week, comprising 12 blood donation camps, collected more than 200 units of blood, demonstrating that doctors continue to lead society not only in hospitals but also through selfless community service.

“The best way to find yourself is to lose yourself in the service of others.”

— Mahatma Gandhi

Supporting the aspirations of young minds, AMA organized a highly appreciated Guidance Seminar on Medical and Paramedical Admissions, helping hundreds of students and parents navigate one of the most important decisions of their careers.

One of the most memorable moments of Doctors' Day Week was “Sahitya ane Samaj”, organized in collaboration with the Gujarat Sahitya Akademi. The overwhelming response reminded us that literature enriches empathy, creativity and emotional intelligence—qualities that define a truly compassionate physician.

Another unique initiative was Rupantaran, our flagship hospital staff training programme. Through structured soft-skills training, we continue to nurture confident,

caring and patient-centric healthcare teams because quality healthcare is delivered not only by doctors but by every member of the healthcare family.

Perhaps the most heart-touching event of the month was NAAD – A Divine Bhajan Jamming Experience, where more than 600 doctors and their family members came together for an unforgettable evening of devotion, music and fellowship. It beautifully demonstrated that while doctors heal society, music and spirituality have the power to heal the healers.

The Samanvay – Humanity & Healing programme at Sri Sathya Sai Heart Hospital, attended by around 50 doctors, reminded us that compassion remains the foundation of modern medicine. Similarly, the Senior Citizen Club Movie Show brought together nearly 60 senior members, strengthening friendship, happiness and togetherness within the AMA family.

“Knowledge sharpens the mind, service enriches the soul, and togetherness strengthens the profession.”

As we move forward, we warmly invite all members to actively participate in our exciting upcoming programmes.

Our 124th Annual Day Celebration promises to be a memorable occasion as we honour excellence, celebrate our glorious legacy and look ahead to an even brighter future.

The PPS Zonal Seminar – Practice Safe: Medico-Legal Survival Skills for Every Doctor on 2nd August will provide practical guidance on medico-legal issues, landmark judgments, AI, cyber law and safe medical practice, making it relevant for every practising doctor.

On 9th August, we shall explore a different dimension of healing through “Harmonizing Science of Spirituality”, where BK Dr. Mohit Gupta will beautifully integrate science, spirituality, meditation and medicine, reminding us that healing extends beyond the physical body.

Further strengthening primary healthcare, AMA, together with the College of General Practitioners and AFPA, will organize “Strengthening Primary Care” on 23rd August, bringing practical clinical updates and valuable learning opportunities for family physicians and general practitioners. This programme reflects our commitment to supporting primary care—the backbone of our healthcare system.

“Excellence is never an accident; it is the result of continuous learning, collaboration and commitment.”

Dear friends, Ahmedabad Medical Association is not merely an organization that conducts CMEs and scientific programmes. It is a vibrant family that nurtures knowledge, service, leadership, wellness, culture, spirituality and lifelong friendships.

Together, let us continue to redefine what it means to be a doctor—not only with a scalpel and stethoscope, but with knowledge in our minds, compassion in our hearts, culture in our lives, and service as our mission.

Let us continue our journey... Beyond Scalpel & Stethoscope.

Jai AMA – Jai IMA

With warm regards,

Dr. Jignesh Shah
President, AMA

Dr. Maulik Sheth
Hon. Secretary, AMA

Customized Bariatric Surgery: Moving Beyond the One-Size-Fits-All Approach

Obesity is a complex disease, and no two patients are alike. As a bariatric surgeon, I believe that obesity treatment should be as unique as the patient. Over the years, I have realized that no single operation is ideal for everyone. Each bariatric procedure has its own advantages and limitations.

Sleeve gastrectomy, for instance, is an effective and technically straightforward procedure that offers excellent weight loss. However, in some patients, it may not provide adequate metabolic benefits and can aggravate acid reflux, with weight regain occurring after a few years. Roux-en-Y gastric bypass, on the other hand, is highly effective in controlling diabetes and reflux, but it is associated with greater nutritional challenges and muscle loss.

In my practice, I believe that the key to achieving the best outcomes lies in tailoring the surgery to the individual's needs. This understanding has led me to move beyond the traditional one-size-fits-all approach. By carefully incorporating the strengths of different procedures, it is possible to overcome many of the limitations associated with individual surgeries. A customized approach allows me to strike the right balance, offering patients the advantages of both while minimizing their shortcomings. The result is not only better and more sustainable weight loss, but also improved control of obesity-related conditions such as diabetes, hypertension, and sleep apnea.

Ultimately, bariatric surgery is not just about stapling the stomach smaller; it's about improving health and transforming lives. My goal has always been to offer each patient a procedure that is best suited to them, providing long-term results and a better quality of life. As our understanding of obesity continues to evolve, I believe that customized bariatric surgery represents the future of metabolic care.

A HEARTY WELCOME TO OUR NEW MEDICAL ONCOLOGIST

Dr Satyam Patel

MBBS, MD (Medicine),
DrNB Medical Oncology
Consultant- Medical Oncologist

We are pleased to welcome
Dr. Satyam Patel,
Consultant Medical Oncologist
at HCG Aastha Cancer Centre,
Ahmedabad.

Dr. Satyam has joined us as
Consultant – Medical Oncologist,
bringing expertise in high-quality,
protocol-driven systemic cancer
therapy, efficient patient
management, and comprehensive
oncology care covering solid
tumors.

Areas of Expertise

He specializes in the management
of various cancers through
advanced systemic treatment
approaches, including
Chemotherapy, Targeted therapy,
Immunotherapy, and Hormone
therapy, ensuring personalized &
evidence-based care for patients.

Practice 2030 – Navigating the Future of Medical Practice

Ahmedabad Medical Association (AMA), in association with Eastern Medical Forum (EMF), successfully organized “Practice 2030 – Navigating the Future of Medical Practice” on 21st June 2026 at Kaushar 440, Ahmedabad, with the valuable support of the Quality Council of India (QCI), NABH, and NABL. The seminar witnessed an overwhelming response, with more than 200 doctors and hospital administrators participating enthusiastically.

The inaugural scientific session, “Future of Medical Practice – Solo, Group or Enterprise?”, was chaired by Dr. Jaydeep Mangroliya and Dr. Kiran Patel, and moderated by Dr. Sanjay Rajput and Dr. Naimesh Patel. Dr. Sunil Patel spoke on emerging trends and challenges in medical practice, while Dr. Bhavin Shah, Dr. Himanshu Desai, and CA Chirag Gandhi shared valuable insights on healthcare enterprises, group practice, and the financial aspects of different practice models. The session concluded with an engaging panel discussion and audience interaction.

A dedicated QCI–NABH–NABL Session, chaired by Dr. Shailesh Dube and Dr. Siddharth Shah, highlighted the importance of accreditation in improving patient safety, quality standards, institutional credibility, and diagnostic excellence. Dr. Jaya Gopalani, Joint Director, NABH, elaborated on NABH accreditation as a roadmap to future-ready healthcare, while Mr. Chandrakant Solanki, Deputy Director, NABL, emphasized the role of NABL accreditation in ensuring quality laboratory services and building public confidence.

The third session, “The Business of Hospitals – Growth, Expansion & Sustainability”, was chaired by Dr. Paresh Gohel and Dr. Jaydeep Ramani, with Dr. Pragnesh Vachharajani and Dr. Maulik Sheth serving as moderators. Dr. Mukesh Patel shared the growth journey of Harmony Hospital, Dr. Jigar Mehta discussed scaling a healthcare institution to over 150 beds, Dr. Bhavesh Thakkar presented the evolution of a large hospital, Dr. Mahesh Patel spoke on future-ready hospital models, and CA Dinesh Mittal highlighted the financial considerations in hospital expansion.

The concluding session on “Marketing for Doctors”, chaired by Dr. Arpit Patel and Dr. Viral Patel, generated significant interest. Dr. Arth Shah spoke on ethical visibility and how doctors can build trust without compromising professional values, while Mrs. Subuhi Akhtar, Founder of The Scribe Inc., provided practical insights into ethical healthcare branding, communication, and the responsible use of social media.

Master of ceremony for the seminar were Dr. Rashi P. Jain and Dr. Janki V Patel.

The seminar generated meaningful discussions on the future of medical practice, solo versus group practice, hospital growth, ethical digital presence, and quality accreditation. The interactive format encouraged active participation and exchange of ideas among delegates.

Ahmedabad Medical Association expresses its sincere gratitude to all speakers, chairpersons, moderators, delegates, sponsors, and supporting partners, especially Quality Council of India (QCI), NABH, NABL, and Eastern Medical Forum, for making Practice 2030 a memorable and highly successful academic initiative.

Precision in Practice

AMA and SAL Hospital Host Landmark CME to Overwhelming Response

The Ahmedabad Medical Association (AMA), in collaboration with SAL Hospital, successfully hosted the highly anticipated **Dr. Love Dalal Scientific Program** at the AMA Hall on Sunday. Titled “**Precision in Practice – From Oncology to Cardiology,**” the **Continuing Medical Education** (CME) event drew an overwhelming response, bringing together a vibrant community of doctors from diverse medical specialties.

The event commenced with a warm networking session over a delightful breakfast, setting a collaborative and energetic tone for the day. AMA President **Dr. Jignesh Shah** then officially opened the seminar by welcoming delegates and highlighting the vital role continuous learning plays in navigating today's fast-evolving healthcare landscape.

The scientific proceedings were seamlessly guided by **Dr. Manish Ninama**, who served as the Master of Ceremonies (MOC) and kept the audience engaged throughout the sessions.

- **Key Academic Highlights & Faculty Insights**

The CME offered deep academic insights, featuring a stellar lineup of distinguished faculty from SAL Hospital and leading institutions. The high-caliber sessions were ably moderated and guided by session chairpersons **Dr. Punamchand Parmar** and **Dr. Jinen Pandya**.

Advancing Cancer Care:

Dr. Bhavin Vadodariya (Cancer Surgeon) delivered an informative session on the latest breakthroughs in oral cancer surgeries, focusing on advanced modern techniques that are significantly improving patient outcomes.

Debunking Cardiac Myths:

Dr. Priyank Bhatt (Cardiac Surgeon & Director, SAL Cardiac Surgery Department) captivated the audience with a talk aimed at busting common misconceptions around heart surgeries, emphasizing the life-saving impact of timely interventions.

The Blueprint for Longevity:

Dr. Kamal Sharma (Cardiologist) struck a chord with attendees during his highly inspiring lecture, "What Matters in Present for 100 Years of Healthy Life." His deep dive into lifestyle modifications and preventive healthcare generated immense interest.

The AI Revolution in Medicine:

Dr. Anuj Suketu (Surgical Oncologist) led one of the day's most anticipated sessions, exploring the transformative role of Artificial Intelligence in diagnostics, clinical decision-making, and future care delivery—sparking immense curiosity.

- **Honoring Excellence**

In a special segment of the program, the AMA leadership officially felicitated the guest lecturers. Each speaker was presented with tokens of appreciation, honoring their valuable time, academic contributions, and dedication to medical advancement.

- **Academic Recognition & Success**

Gujarat Medical Council Accreditation

Reflecting its high academic caliber, the program was officially accredited with **1 Credit Point by the Gujarat Medical Council**. The association was pleased to welcome **Dr. Brijan Choksi**, who attended as the official Observer from the GMC to oversee the compliance and standard of the proceedings.

The lively Q&A segments underscored the medical fraternity's keen interest in forward-looking fields like longevity medicine and digital health integration. Following the interactive academic discussions, delegates and faculty gathered to enjoy a sumptuous and lavish lunch, providing a perfect opportunity for further networking and camaraderie.

Closing the event, AMA Honorary Secretary **Dr. Maulik Sheth** extended a heartfelt vote of thanks to SAL Hospital, the eminent speakers, the chairpersons, the delegates, and the organizing committee for orchestrating a flawless and grand success.

Moving forward, the Ahmedabad Medical Association stands firm in its commitment to drive knowledge-sharing, foster healthcare innovation, and champion clinical excellence for better patient care across the region.

Ahmedabad Medical Association Organises 12 Blood Donation Camps During Doctors' Day Week 2026

As part of its Doctors' Day Week Celebrations (1st–7th July 2026), the Ahmedabad Medical Association (AMA) successfully conducted a city-wide Blood Donation Week, reaffirming its commitment to community service and saving lives.

During the week, 12 blood donation camps were organised across Ahmedabad with

enthusiastic participation from doctors, healthcare professionals, hospital staff and members of the public. The campaign resulted in the collection of more than 200 units of blood, each unit having the potential to save multiple lives.

Blood Donation Camps Organised

1st July 2026

- Kankaria Lake, Gate No. 1, • Sumiran Women's Hospital, • Abbott Healthcare Pvt. Ltd.

3rd July 2026

- Atulya Superspeciality Hospital & ICU

4th July 2026

- Silver Touch Hospital, Prahlad Nagar, • Tirth Clinic, Naranpura

5th July 2026

- Rajgor's Women & Multispeciality Hospital, • Dr. Sandip N. Shah's Centre
- Oncowell Cancer Hospital, • Kankaria Lake, Gate No. 1

6th July 2026

- Prarthana Multispeciality Hospital, Saijpur Bogha

7th July 2026

- Silver Touch Hospital, Nirnaynagar

The week-long initiative witnessed remarkable support from participating hospitals, blood banks, volunteers and donors, making it one of the largest Doctors' Day blood donation drives organised by AMA.

Ahmedabad Medical Association expresses its heartfelt gratitude to all the hospitals, blood banks, volunteers, sponsors and generous blood donors who made this week-long campaign successful.

More than 200 units of blood were collected through 12 blood donation camps, creating hope and saving lives—truly reflecting the spirit of Doctors' Day: Service Above Self.

Guidance Seminar on Admission Process in Medical & Paramedical Courses

As part of Doctors' Day Week Celebration 2026, Ahmedabad Medical Association organized a highly informative Guidance Seminar on Admission Process in Medical & Paramedical Courses on 4th July 2026 at AMA Hall.

The seminar received an overwhelming response from students and parents, with the hall witnessing excellent participation. The program proved extremely useful for students aspiring for careers in medical and paramedical fields.

Expert guidance was provided by Dr. Manmohan Gupta, Dr. Jignesh Chauhan, and Dr. Jayesh Sachde, senior members of the Admission Committee for Professional Undergraduate & Postgraduate Medical Educational Courses, Gandhinagar.

The session covered important aspects such as NEET admission process, merit list, counseling procedure, college selection, choice filling, college upgradation, and admission rounds. Students and parents actively participated and raised numerous practical questions, all of which were addressed in detail by the expert panel.

The seminar provided valuable clarity and practical insights, helping students and parents make informed decisions regarding admissions and career planning.

For the benefit of those who could not attend, the complete seminar recording has been made available on the Ahmedabad Medical Association YouTube channel.

AMA remains committed to organizing meaningful programs that support education, guidance, and community welfare.

NAAD – A Divine Bhajan Jamming Experience for Healing Hearts

As part of the Doctors' Day 2026 celebrations, the Ahmedabad Medical Association organized NAAD – A Divine Bhajan Jamming Experience for Healing Hearts, a unique musical and devotional evening, on 5th July 2026 at H. K. Arts College Hall, Ahmedabad.

The event received an overwhelming response from the medical fraternity, with more than 600 doctors and their family members participating enthusiastically. The packed auditorium reflected the unity, cultural spirit, and togetherness of the AMA family.

The evening commenced with fellowship over dinner, followed by an enthralling bhajan jamming session by the renowned Vyas Brothers. Shri Kalpesh Vyas, along with Bihang Vyas and Niti Vyas, mesmerized the audience with soulful bhajans and devotional music. Their heartfelt performances created a serene and spiritually uplifting atmosphere, with members enthusiastically singing along and enjoying every moment.

The event beautifully demonstrated that while doctors dedicate their lives to healing others, music and spirituality can rejuvenate and heal the healers themselves. The warmth, enthusiasm, and active participation of members made NAAD one of the most memorable Doctors' Day celebrations in the history of the Ahmedabad Medical Association.

The Ahmedabad Medical Association sincerely thanks all its members, their families, sponsors, volunteers, and the organizing team for their wholehearted support in making this unique event a resounding success.

Sahitya ane Samaj – A Unique Literary Celebration on Doctors' Day

As part of the Doctors' Day Week Celebrations 2026, the Ahmedabad Medical Association, in collaboration with the Gujarat Sahitya Akademi, organized a unique literary program titled "Sahitya ane Samaj" on 5th July 2026 at the AMA Hall.

The event received an overwhelming response from AMA members and their families, with the hall filled to capacity. The program beautifully highlighted the close relationship between literature, medicine, and society, offering an intellectually stimulating and emotionally enriching experience.

The program commenced with a welcome address by Dr. Jayendrasinh Jadav, Mahamatra, Gujarat Sahitya Akademi, who introduced the Akademi's new initiatives and emphasized the importance of promoting literature in society.

The audience was then treated to a series of inspiring sessions by eminent literary personalities:

- **Dr. Mukul Choksi** spoke on Doctor and Poetry, highlighting the emotional and creative side of the medical profession.
- **Shri Kalpesh Patel** shared his insights on Stories and Novels and their influence on society.
- **Shri Rajesh Vyas 'Miskin'** delivered a captivating talk on Ghazal and Spirituality, which received a standing ovation from the audience.
- **The keynote address by Dr. Bhagyesh Jha, Chairman, Gujarat Sahitya Akademi**, on Literature in Changing Times and Society was thought-provoking and deeply appreciated.

A special attraction of the event was the exceptional anchoring by **Shri Chirag Tripathi**, renowned writer, poet, and lyricist of Gujarati cinema. As the Sutradhar, he seamlessly connected each session with his literary flair, humour, and eloquence, making the entire program engaging and memorable.

The event concluded with an interactive question-and-answer session followed by a

delicious fellowship lunch, providing members an opportunity to interact with the distinguished speakers.

The program was widely appreciated by the participants and marked a memorable beginning to what is expected to become a regular literary initiative of the Ahmedabad Medical Association. It truly reflected the Association's vision of nurturing not only professional excellence but also cultural, literary, and intellectual enrichment among doctors.

“Sahitya ane Samaj” was yet another step in AMA's journey of going Beyond Scalpel and Stethoscope.

CPR Training Program Trains 80 Students in Life-Saving Skills

As part of the Doctors' Day Week 2026 celebrations, the Ahmedabad Medical Association (AMA) organised a CPR (Cardiopulmonary Resuscitation) Training Program on 6th July 2026 at New LJ Institute of Engineering & Technology, Ahmedabad.

The program was attended by around 80 students, who actively participated in the hands-on training sessions and learned the essential skills required to respond effectively during cardiac emergencies.

The expert faculty included Dr. Amrish Patel, Dr. Parth Patel, Dr. Shivang Patel, Dr. Vinit Patel, Dr. Amit Prajapati and Dr. Kaushal Patel, who demonstrated the correct CPR techniques and guided the students through practical sessions using CPR mannequins.

The program was graced by Dr. Maulik Sheth, Honorary Secretary, Ahmedabad Medical Association, and Dr. Bipin Patel, Senior IMA Leader, who appreciated the initiative and encouraged students to become responsible first responders capable of saving lives during emergencies.

The interactive sessions generated great enthusiasm among the participants, who gained valuable knowledge and practical confidence in performing CPR.

Through such initiatives, Ahmedabad Medical Association continues its commitment to creating a safer society by spreading awareness and equipping young citizens with life-saving emergency response skills.

“Every Second Counts. Learn CPR. Save Lives.”

Samanvay – Humanity and Healing Dr. Pushpaben P. Multani Scientific Program

Ahmedabad Medical Association, in association with Maninagar Medical Association, successfully organized the Dr. Pushpaben P. Multani Scientific Program – “Samanvay: Humanity and Healing” on 19th July 2026 at Sri Sathya Sai Heart Hospital, Kasindra, Ahmedabad.

Around 55 doctors participated in the programme. To facilitate convenient travel, two buses were arranged for the participants—one from Ahmedabad Medical Association and another from Maninagar Medical Association.

The programme featured insightful scientific lectures on Paediatric Cardiology, providing participants with valuable academic updates and an opportunity to visit the state-of-the-art Paediatric Cardiology Hospital. A thought-provoking spiritual session by Dr. Sharad Thakar added a unique dimension to the programme, beautifully emphasizing the importance of compassion, humanity, and healing in medical practice.

The event was highly appreciated by all participants for its excellent blend of scientific learning and inspirational guidance. The programme concluded with a delicious lunch, providing an opportunity for fellowship and interaction among the attendees.

Rupantaran Batch 2 & 3: Building Confident and Compassionate Healthcare Teams

Rupantaran – Batch 2

Ahmedabad Medical Association successfully conducted Batch 2 of “Rupantaran – Confident & Caring Hospital Staff Training Program” at the Ahmedabad Medical Association Hall.

The session was conducted by Dr. Sneha Tripathi, Certified Soft Skills Trainer and Founder of S3 Skills Academy. A total of 59 hospital staff members from various healthcare institutions participated enthusiastically in this interactive training program.

The workshop focused on enhancing patient communication, counselling skills, teamwork, workplace etiquette, confidence building and managing challenging situations with empathy through practical role plays and real-life examples.

The participants appreciated the practical approach of the training and expressed that the program would help them improve patient experience and strengthen professional communication in their day-to-day work.

Rupantaran – Batch 3

Continuing its commitment to enhancing healthcare service quality, Ahmedabad Medical Association conducted Batch 3 of “Rupantaran – Confident & Caring Hospital Staff Training Program” at Shukan Hospital.

The training was led by Dr. Sneha Tripathi, Certified Soft Skills Trainer and Founder of S3 Skills Academy. Around 35 staff members of Shukan Hospital, including nursing, reception, administrative and support staff, actively participated in the on-site training.

The session covered key aspects of patient communication, empathy, confidence building, workplace etiquette, teamwork and handling difficult situations through interactive discussions and practical exercises.

The enthusiastic participation and positive feedback from the hospital staff reflected the importance of structured soft skills training in healthcare. Encouraged by the excellent response to the Rupantaran initiative, Ahmedabad Medical Association plans to conduct two more batches at private hospitals, taking this transformative training program to a wider healthcare community.

AMA Senior Citizen Club Movie Show AMA Senior Citizen Club Organizes Enjoyable Movie Evening

Ahmedabad Medical Association (AMA), through its Senior Citizen Club, organized a delightful Movie Show for the members of the AMA Senior Citizen Club, AMA members, and Ladies Club members at R. M. Fozdar Hall, AMA House on 19th July 2026.

Around 90 doctors and family members enthusiastically participated in the event. The audience thoroughly enjoyed the popular Gujarati blockbuster “Zamkudi”. Movie kept everyone entertained throughout the screening.

The programme provided an excellent opportunity for members to relax, socialize, and spend quality time together in a warm and cheerful atmosphere. The memorable evening concluded with a delicious dinner, adding to the fellowship and camaraderie among the participants.

The event was well appreciated by all attendees and reflected AMA's continued commitment to organizing meaningful recreational and social activities for its members.

કાર્ડિયોલોજી અંગે તાલીમ અપાઈ
પ્રાયોગિક અભ્યાસ અંગે સ્ટાફને સમજ અપાશે

સાત્રો પોષાકનું આયોજન કરાયું છે. આ તાલીમમાં ડોક્ટર, નર્સ, વિશ્વકર્મીઓ, લેબોરેટરીયન અને અન્ય સ્ટાફને હાર્ડવેર સાથે વાસ્તવિક કરવાની રીત, કાર્ડિયોલોજી, મુરકોલ પરીક્ષણનું સંચાલન, ટીપ્પર, કાર્ડિયોલોજી સિસ્ટમ અને આત્મવિશ્વાસ વધારવા અને માર્ગદર્શન આપવું હતું. વધુમાં તાલીમમાં રોગાન્વેષ, પ્રાયોગિક અભ્યાસ અને વાસ્તવિક પરીસ્થિતિઓમાં ઉદાહરણો દ્વારા વિશેષ સમજ અપાઈ હતી.

સીપીઆર મેનિકિન પર અભ્યાસ કરાવાયો
AMA દ્વારા ન્યૂ LJ કોલેજના
80 વિદ્યાર્થીને CPRની તાલીમ

ભાસ્કર ન્યૂઝ | અમદાવાદ

અમદાવાદ મેડિકલ એસોસિએશન દ્વારા ડોક્ટર્સ ડે ઈજવશી સપ્તાહ અંતર્ગત ન્યૂ એલજી હોસ્પિટલનાં એલ એન્જિનિયરિંગ એન્ડ ટેકનોલોજીમાં સીપીઆર તાલીમ કાર્યક્રમ યોજાયો હતો.

કાર્યક્રમમાં આશરે 80 વિદ્યાર્થીઓએ ભાગ લીધો હતો. નિમ્નગત તબીબોએ વિદ્યાર્થીઓને સીપીઆરની યોગ્ય પદ્ધતિ, કઠચરોગના હુમલા દરમિયાન તરત શું કરવું અને હાર્ટને તબીબી સારવાર મળે ત્યાં સુધી કેવી રીતે

મદદરૂપ બનવું તેની પ્રાયોગિક તાલીમ આપી હતી. વિદ્યાર્થીઓને સીપીઆર મેનિકિન પર અભ્યાસ પણ કરાવવામાં આવ્યો હતો. જેથી તેઓ વાસ્તવિક ઈમરજન્સીમાં આત્મવિશ્વાસપૂર્વક પ્રથમ મદદ આપી શકે.

કાંકરિયા ખાતે રાષ્ટ્રીય તબીબ દિવસ નિમિત્તે અમદાવાદ મેડિકલ એસોસિએશન દ્વારા યોજાયેલા કાર્યક્રમમાં તબીબો દ્વારા રક્તદાન કરાયું હતું.

આખું અઠવાડિયું સેવા અને જાગૃતિના કાર્યક્રમ યોજાશે
AMA નીટ માર્ગદર્શન, રક્તદાન કેમ્પ,
CPR તાલીમ આપી ડોક્ટર્સ ડે ઈજવશે

ભાસ્કર ન્યૂઝ | અમદાવાદ

સાહિત્ય રાત્રી સંગીતથી માનસિક સ્વાસ્થ્યનો સંકેત

સાહિત્ય અને ક્રિએટિવિટીના માર્ગ દ્વારા માનસિક સ્વાસ્થ્યને મજબૂત રાખવા અને પીડાથી બચવા માટે આખું અઠવાડિયું સેવા અને જાગૃતિના કાર્યક્રમ યોજાશે. આમાં નીટ માર્ગદર્શન, રક્તદાન કેમ્પ, CPR તાલીમ આપી ડોક્ટર્સ ડે ઈજવશે.

ક જુલાઈએ મુજરાત સાહિત્ય અકાદમીના સહયોગથી યોજાનાર 'સાહિત્ય અને સમાજ' કાર્યક્રમમાં જાણીતા સાહિત્યકારો અને વક્તાઓ સમાજ, માનવતા અને જીવનનું અર્થઘટન વિષય પર ચર્ચા કરશે. તે જ દિવસે 'નાદ' ભજન જોડે કાર્યક્રમ પણ યોજાશે, જેમાં સંગીત-નર્તન દ્વારા ભૌતિક, માનસિક સંતુલન અને સકારાત્મકતાનો સંકેત મળશે.

જીવન બચાવતી સીપીઆર તાલીમ પર ભાર મુકાશે

સત્તામ દરમિયાન સીપીઆર તાલીમ પણ આપશે. હાર્ટ બેટર જેવી ઈમરજન્સીમાં બેન્ચુરન પરીય તે પહેલાં સારવાર શકિત દ્વારા અપાવી સીપીઆર અનેક જાતના હાર્ટમાં જીવ બચાવી શકે છે.

ડોક્ટર્સ વીક નિમિત્તે નીટ માર્ગદર્શન કાર્યક્રમ: 300થી વધુ વિદ્યાર્થી-વાલીઓની મૂંઝવણનો ઉકેલ બતાવાયો
ચોઈસ ફિલિંગ, અપગ્રેડેશન, સર્ટિફિકેટ સહિતના મહત્વના નિયમ સરળ ભાષામાં સમજાવાયા

ભાસ્કર ન્યૂઝ | અમદાવાદ

વાલીઓને મૂંઝવણના પ્રશ્નો અંગે નિષ્ણાતોએ માર્ગદર્શન આપ્યું

આ વર્ષે નીટ પરીક્ષા કરીથી યોજાવાના કારણે મેડિકલ અને પેરામેડિકલ એડમિશન પ્રક્રિયા થઈતી મોડી થઈ ગઈ છે. જેથી વિદ્યાર્થી-વાલીઓ ચિંતા અને મૂંઝવણ અનુભવી રહ્યાં છે. વિદ્યાર્થીઓની આશંકા દૂર કરવા અમદાવાદ મેડિકલ એસો. (AMA) એ સેમિનારનું આયોજન કરાયું હતું. જેમાં 300થી વધુ વિદ્યાર્થી-વાલી જોડાયા હતા. એડમિશન કમિટીના નિષ્ણાતો ડો. મનમોહન ગુપ્તા, ડો. જિજ્ઞેશ ચૌહાણ અને ડો. જયેશ સચદેવ હાજર રહ્યા હતા.

સવાલ: નામમાં નાની ભૂલ કે સ્પેલિંગમાં ફેરફાર હોય તો શું કરવું? જવાબ: પોરણ 12ની માર્કશીટ અને આધાર કાર્ડમાં નામના સ્પેલિંગ અથવા સરનેમના ક્રમમાં ફેરફાર હોય તો પણ ફોર્મ રિજેક્ટ નહીં થાય. એડમિશન કમિટી તમારો ડેટા સીધો NEET રજીસ્ટ્રેશન ફોર્મમાંથી જ ઓટોમેટિક લિંક કરે છે.

સવાલ: ચોઈસ ફિલિંગ કરતી વખતે કઈ બાબતોનું ધ્યાન સંપાડવું?

જવાબ: આ વખતે સાચબર કહેના ઓપરેટરો પર આંધળો વિશ્વાસ ન કરવો. પોતાની મનપસંદ સરકારી કોલેજો હંમેશા લિસ્ટમાં ટોપ પર રાખવી.

સવાલ: પ્રથમ સર્કેન્ડમાં સીટ એલોટ થયા પછી અપગ્રેડેશનનો નિયમ શું છે?

જવાબ: પ્રથમ રાઉન્ડમાં સીટ મળે એટલે સીધી પહેલા નક્કી કરેલી ફી ભરીને હેલ્પ સેન્ટર પર એડમિશન કન્ફર્મ કરાવી લેવું. આ

બાદ જ સેકન્ડ કે થર્ડ રાઉન્ડમાં 'અપગ્રેડેશન'નો વિકલ્પ પસંદ કરવો હિતાવહ છે.

સવાલ: અનામત કેટેગરીના પ્રમાણપત્રો માટે શું નિયમ?

જવાબ: નોન-ક્રીમીલેયર ચાલુ વર્ષના અને મુજરાત સરકારના નિયત ફોર્મમાં જ હોવા જોઈએ. વેરિફિકેશન દરમિયાન દસ્તાવેજ અધૂરો હશે તો ઉમેદવાર સીધા જનરલ કેટેગરીમાં કન્વર્ટ થઈ જશે.

ભાડે/વેચાણ આપવાની છે.

૨૦૨૬-૨૦૨૭ માટેની નવી કમિટી નિમણૂક ની જાહેરાત

મિત્રો,

આપણી AMA Ladies Club ની આગામી વર્ષ ૨૦૨૬-૨૦૨૭ માટેની કમિટી નીમવાનો સમય નજીક આવી રહ્યો છે.

નવી કમિટી માટે ના પદ આ પ્રમાણે છે

પ્રમુખ -- ૧ માનદ મંત્રી -- ૧ ખજાનચી -- ૧ કારોબારી સભ્યો -- ૮
ઉપ પ્રમુખ -- ૨ સહ મંત્રી -- ૨ સહ ખજાનચી -- ૧

- આપ સૌને વિનંતી કે જેમને પણ નવી કમિટી મા રહેવામાં રસ હોય, તેઓ પદ પ્રમાણે ની અરજી, અમદાવાદ મેડિકલ એસોસિએશન પર આપવા વિનંતી .
- અરજી આપવાની છેલ્લી તારીખ ૧૦ ઓગસ્ટ ૨૦૨૬ છે.
- ઈચ્છુક સભ્યો એ અરજી વહેલી તકે AMA પર આપી દેવી.

Dr. Sushila Kella

President, AMA Ladies Club

Ansuya Ladola

Secretary, AMA Ladies Club

કાર્યક્રમ નં.-૨૨: "જુંદગી વન્સ મોર" મુવી સ્ક્રીનિંગ - સફળતાનો અહેવાલ

નમસ્તે સખીઓ,

અત્યંત આનંદ અને ઉત્સાહ સાથે જણાવવાનું કે આપણી ક્લબ દ્વારા આયોજિત ફિલ્મ "જુંદગી વન્સ મોર" નું પ્રાઇવેટ સ્ક્રીનિંગ ખૂબ જ શાનદાર, હાઉસફુલ અને યાદગાર રહ્યું!

આ સુપરહિટ કાર્યક્રમની કેટલીક મનમોહક ઝલક:

હાઉસફુલ હાજરી: આપણી સખીઓએ ખૂબ જ મોટી સંખ્યામાં ઉપસ્થિત રહીને શિવરંજની સ્થિત 'એ. બી. મલ્ટિપ્લેક્સ' ના આખા થિયેટરને પોતાના અનોખા ઉત્સાહ અને કિલ્લોલથી ગજવી દીધો હતો.

મનોરંજન અને મસ્તી: 'જુંદગી વન્સ મોર' મુવીની વાર્તાની સાથે-સાથે પિક્ચર જોતી વખતે આપણી સખીઓ વચ્ચે થયેલી ડાયલોગબાજી અને ખડખડાટ હાસ્યએ અસલી રંગ જમાવ્યો હતો.

પોપકોર્ન, નાસ્તો અને ચર્ચા: મુવીના ક્લાઇમેક્સ કરતાં પણ વધારે ચર્ચા તો ઇન્ટરવલ દરમિયાન ગરમાગરમ પોપકોર્ન, સ્વાદિષ્ટ નાસ્તો ઝાપટવાની અને આપણી મીઠી વાતોની હતી! અનોખું બોર્ડિંગ: આ કાર્યક્રમે સાબિત કરી દીધું કે જિંદગી આપણને બીજી તક આપે કે ન આપે, પણ આવી પ્રેમાળ કમિટી અને આવા ઉત્સાહી સભ્યોની કંપની તો આપણને હંમેશા 'વન્સ મોર' જ જોઈએ!

આ શોને સાચા અર્થમાં 'સુપરહિટ' બનાવવા બદલ અને આટલી મોટી સંખ્યામાં આવીને ઉત્સાહ વધારવા બદલ આપણી તમામ સખીઓનો દિલથી ખૂબ ખૂબ આભાર. આપણે સૌ આ જ રીતે સાથે મળીને જીવનના દરેક પળને માણતા રહીએ અને આવા જલસા અવારનવાર કરતા રહીએ તેવી અપેક્ષા!

Private Sector Engagement under National TB Elimination Program (NTEP)

As per the SDG Target of 2030, there should be 80% reduction in TB Incidence, 90% reduction mortality and zero catastrophic cost due to TB by 2030 compared to the respective baseline data of 2015.

Tuberculosis is a notifiable communicable disease as per the Gazette Notification issued on 7th May 2012. As per the Clinical Establishment Act, 2024, Tuberculosis (TB) notification is mandatory for all healthcare providers in India.

NTEP Indicators	How to implement/avail services from NTEP
Microbiological Confirmation	Free of charge Upfront NAAT are being offered to all clear samples received from private sector (free falcons from program)
Universal Drug Susceptibility Test	Refers to universal access to rapid DST for at least rifampicin in all microbiologically confirmed TB cases, and further DST for at least fluoroquinolones among all TB patients with rifampicin resistance. Timely UDST facilitates designing appropriate treatment regimen in a TB patient.
Laboratory Follow up	Currently in DS-TB, smear microscopy is being done at the End of Intensive Phase (on completion of 68 doses) and at the End of Continuation phase (on completion of total 168 doses).
Clinical Follow up (Differential TB Care)	To prevent mortality in TB patients and to identify and timely manage comorbidities, all TB patients should be followed up every month. State has developed SOP for high-risk TB patients
Direct Benefit Transfer (DBT) with Aadhaar based authentication	1. Nikshay Poshan Yojana – INR 1000 every month to TB patient till the treatment completes. 2. Treatment Supporter's Honorarium – If a treatment supporter helps a TB patient in completion of whole course of treatment under supervision, then he/she becomes eligible for 1000 INR in case of DS-TB, 5000 INR in case of DR-TB treatment regimen and 250 INR for TB Preventive Treatment (TPT) in contacts.

	3. Private Providers Incentive Private Provider, who notifies a TB case, is eligible for 500 INR for the incentive of notification. On giving a valid treatment outcome by the private provider himself/herself, he/she again becomes eligible for 500 INR as incentive for providing outcome to a TB case. incentive for providing outcome to a TB case. 4. Tribal Support Honorarium – A one-time incentive of INR 750 as a transport allowance, is being given to a TB case during treatment initiation when his current facility (the facility responsible for his Public Health Actions) is situated in a Govt. defined tribal area.
TB Preventive Treatment (TPT)	TPT is the most effective tool to prevent TB and thereby declining TB incidence. Under NTEP, TPT is provided to Household contacts of Pulmonary TB and Vulnerable population after ruling out active TB disease. Currently, in the program short-course TPT [3-HP: 3-month weekly regimen]
Providing Nutrition Kit under Pradhan Mantri TB Mukh Bharat Abhiyaan	Under Pradhan Mantri TB Mukh Bharat Abhiyaan, TB patients who give consent, are being adopted for monthly nutritional support throughout their treatment duration by available identified donors (Nikshay Mitra).
Post Treatment Follow Up	Probability of recurrence after successful treatment is maximum within 2 years of treatment completion. So, under the program, all the TB patients who have completed TB treatment are being followed up every 6-monthly up to 2 years.

All the above-mentioned standards are provided by the NTEP free-of-charge to each TB patient. Additionally, the District NTEP team can facilitate you using Ni-kshay software, using which you can monitor all these indicators.

Your **Wealth Deserves More** Than Last-Minute Tax Filing

With return filing season underway, doctors can use the moment to move beyond compliance and into more thoughtful, **tax-efficient planning**

Indian Doctors Typically File Taxes In Two Ways:

METHOD 1

Normal Provisions

Income minus actual expenses equals to taxable income.

METHOD 2 ~ SEC 44ADA

Presumptive Taxation

50% of professional receipts is treated as income; other income can still qualify for deductions like 80C.

The Pros & Cons of Presumptive Taxation

PROS

- + Simple filing with less paperwork.
- + No need to track every expense.
- + Easier tax planning and cash-flow visibility.
- + Useful for busy professionals with straightforward income.

CONS

- No separate deduction for actual expenses.
- Lower visibility, not lower scrutiny.
- Only available within specific eligibility limits.
- May be less tax-efficient if real expenses are high.

TAX PLANNING WITH FINNOVATE

Is your current tax approach helping you build wealth, or just helping you file returns?

Learn more about tax planning and how to make it a part of your practice with Finnovate. Let your tax approach do more than comply. Let it support your wealth.
