From Immobility to Independence:

Mrs. Ritu Khatri's Transformation Journey through **Bariatric Surgery**

Before : 230 KG

After : 87 KG

"Losing 143 kg gave me back my health, confidence, and happiness."

Case Summary

Admitted in Ambulance : Mrs. Ritu Khatri, 42 years old, was unable to walk due to extreme obesity (230 kg), severe breathlessness, and hypertension. Even standing up from a chair or moving a few steps was a major struggle.

Weight Management Before Surgery : On 17th May 2023, she was admitted under the care of Dr. Manish Khaitan at KD Hospital. With the guidance of psychologist and dietitian, she lost 29 kg in 16 days, making her fit for CT scan and surgery.

Bariatric Surgery : On 3rd June 2023, a successful bariatric surgery was performed. Just 3 days later, she could walk 20–25 steps, regaining hope and confidence.

Rediscovering Life

Today, after 2 years, Mrs. Khatri weighs 87 kg, having lost 143 kg. She is free from hypertension medicines, enjoys an active lifestyle, and happily participates in social gatherings.

From immobility to independence

Nobesity Bariatric Surgery Centre at KD Hospital helped her reclaim health and confidence for a new life.

**Message From
President & Hon. Secretary**

Dear Members,

This will be our last message from our team, of our tenure. New team under **President, Dr. Jigneshbhai Shah** will be on track of achievement of new horizon till this bulletin will reach to your desk.

“We are not a Team because we work Together.

We are a Team because we Respect,

Trust and Care for each other.”

- Vala Afshor.

Yes, we as a team had worked hard to make each and every program perfect and successful. I am extremely thankful to all my team members and friends from depth of my heart.

Last month we have done unique program, “તબીબની અટારીએ, શબ્દોની સરવાણી” of poems exclusively from our doctor friends on 17/8/2025, Sunday. It was attended by many doctors and enjoyed well. We had scientific program with Zydus Hospital on 24/8/2025, Sunday and another with Epic Hospital on 7-9-2025, Sunday. We had planned Hybrid Scientific program planned by IMA in association with IMA, Pune, on 13-9-2025, Saturday. We had also celebrated Teachers` Day on 4/9/2025, Thursday. We have felicitated our senior, respected professors. We have planned PPS Zonal Seminar on 21/9/2025, Sunday. We have also planned scientific program on HPV Vaccine on 19/9/2025, Friday and Webinar on 23/9/2025, Tuesday on Diabetes with Docplexus platform.

On 28/9/2025, we have Installation Ceremony of new team of year, 2025-26. We congratulate Dr. Jignesh Shah and his team and wish best of luck for better and better performance for whole year.

“Success comes to those who can join hands and cooperatively move in the direction of achieving common goals.”

**“Don` t aspire to be the best on the Team,
Aspire to be the best for the Team.”**

-Brian Tracy.

Atlast we knew, we felt Team Work as, Trust, partEnership, shAre, harMoney, netWork, collabOrate, suppoRt, work.

We are thankful to all of our seniors, mentors, friends, and all members for supporting us and for being with us throughout whole year.

**AMA & AFPA: "Doctor On Call" Diwali Service - Enroll Now!**

Dear Friends,

As Diwali approaches, many local doctors travel out of town, leaving patients with reduced access to urgent medical assistance. To support our community during the festival, Ahmedabad Medical Association and Ahmedabad Family Physicians Association are once again organizing the annual **"Doctor On Call"** initiative.

Through this program, we aim to publish a list of participating doctors who are available in Ahmedabad during Diwali festival days. Our helpline will connect patients in need with volunteer doctors, ensuring they receive prompt advice and guidance, especially during emergencies.

Doctors are invited to enroll and render free telephonic advice to patients.

Your support will greatly help those who rely on us during these festive days.

To participate, please send your Contact Details and Specialty/Area of Service to AMA office via what's app on 97268 88775 or send details on amagsbima@yahoo.co.in

You do not need to be present in your clinic—calls will be referred to you only when required.

A master list will be prepared and patients will be guided via area coordinators. Telephonic advice is provided free; regular clinical/hospital charges may apply for in-person services.

Helpline operational from: 19th October to 26th October.

Doctors interested in joining this social service are requested to contact the Office of AMA.

Let's all come together to help our community celebrate Diwali safely and healthily!

Appeal for Organ Donation Awareness & Pledge Drive

As we proudly approach the 100th National Conference of the Indian Medical Association (IMA) in December 2025, the IMA has resolved to commemorate this historic milestone through 100 impactful tasks that contribute meaningfully to society.

Among these initiatives, "Organ Donation Awareness and Pledge Registration" has been chosen as a key focus area. In this noble endeavor, IMA Gujarat State Branch (GSB) and Angdaan Charitable Trust have come together with a collective mission to register 21,000 organ donation pledges from Gujarat before the grand event.

We invite all IMA members, medical institutions, and socially committed individuals to join hands in creating awareness and encouraging more people to pledge their organs — a gift that gives life even after death.

To organize an awareness session or pledge drive at your hospital, medical college, or community platform, kindly get in touch with:

**લેડીઝ-ક્લબ****Message from the President**

**“Every end is a new beginning,
Each memory a light forever shining.
Together we laughed, together we grew,
A bond of friendship loyal and true.”**

Dear Friends,

As I complete my tenure as President of the Ladies Club, Ahmedabad Medical Association, my heart is filled with deep gratitude. This journey has been one of learning, joy, togetherness, and countless cherished memories.

I extend my sincere thanks to all members, committee colleagues, and friends who stood by me with love and support. Each program we organized – whether musical, cultural, or health-related – was successful only because of your encouragement and wholehearted participation.

“Alone we can do so little; together we can do so much.”

– Helen Keller

Your trust and cooperation have been my true strength throughout this journey.

As I pass on the baton, I extend my best wishes to the new leadership and am confident that our club will continue to reach greater heights. Though my role changes, my affection and support for this club will always remain.

With heartfelt gratitude,

Rajni Maheshwari

President (2024–25)

CARDIAC SCIENCE
MARENGO CIMS HOSPITAL

ARE YOU SUFFERING FROM HEART FAILURE?

Heart Failure, also called Congestive Heart Failure (CHF), means your heart does not pump blood as well as it should. This does not mean your heart has stopped working, but it is not as strong as it used to be and fluid builds up in the lungs and other parts of your body. This can cause shortness of breath, swelling in the legs, feet, and stomach. Heart failure starts slowly and can get worse over time.

**IF YES, THEN CONTACT
