Chairman

All India Medical Conference IMA NATCON 2025

27th & 28th December 2025

HOSTED BY: IMA Gujarat State Branch & Ahmedabad Medical Association

Prepare for an enriching and comprehensive medical conference featuring

HEALTH SUMMIT

Premier gathering of healthcare leaders, policymakers, and experts focused on advancing healthcare, innovation, pressing challenges, and drive impactful change across the healthcare ecosystem.

MEDICINE & ARTIFICIAL INTELLIGENCE (AI)

Showcasing how AI is revolutionizing diagnostics, treatment planning, and patient care and explore real-world applications, ethical considerations, and the future of AI-driven healthcare.

MEDICAL TOURISM & B2B BUSINESS

Exploring the rapidly expanding, connecting International patients & Hospitals with high-quality, cost-effective medical services in streamlining referrals, enhancing hospital networks, and driving global healthcare partnerships.

FOR YOUNG DOCTORS (FOR IMA - JDN, MSN)

Engage in a diverse range of workshops, lectures, debates, panel discussions, career guidance, paper presentations, startup and innovations - fostering knowledge exchange and critical thinking.
Future Prospects & Opportunities for Medical Graduates

ADDRESSING CRITICAL ISSUES:

Participate in crucial discussions on burning issues impacting the medical profession, including

- CPA (Consumer Protection Act)
- CEA (Clinical Establishment Act)
- Quackery & Mixopathy
- Medical Ethics
- Violence Against Healthcare & Medico-legal issues
- Medical Insurance
- Organ Transplantation

MEDICAL EXHIBITION:

Explore the latest advancements, technologies, and services at the co-located Medical Exhibition.

26th Pre-Conference

WORKSHOPS & PRE-CONFERENCE SEMINARS

Various pre-conference seminars and workshops at different national institutes and corporate hospitals

**Message From
President & Hon. Secretary**

Dear Members,

**“The best team is not the team of best players,
but the team that plays best together.”**

-Jamie Dimon.

Yes, few days back due to war like situation, the whole country was in tremendous stress and anxiety with worry. We may come to face so many challenges because of result of war and Govt was also worried for this unpredictable situation. Just by one call for preparedness for crisis, we had appealed our friends for voluntary service if required, and with our surprise, so many doctor friends of different specialties, have shown interest for that. We are so happy to see such great responses for noble cause and for our country also. We also have appealed to organize Blood Donation Camps to collect blood if required in emergency. Our many friends came forward for this noble cause also.

**“If you have knowledge.
let others light their candles in it.”**

- Margaret Fuller.

We had Face book live on World Liver Day, 19-4-2025, for awareness of Liver diseases. We also had scientific Webinar

on Diabetic Retinopathy on 24-4-2025 on Docplexus which was viewed by many doctors. We also had wonderful program on 27-4-2025 at NFSU, on Toxicology and Medico legal Issues, which was attended by many doctors. We also had scientific program on Thalassemia on 11-5-2025, in context with World Thalassemia Day, 8-5-2025. We had skit on Thalassemia Awareness by kids from one NGO.

We had beautiful program of Inter Medical College Skit Competition, in which all medical colleges of Gujarat had participated. We had also wonderful program, DocLens, Photography Competition, in which many doctors from Gujarat had participated.

We had Blood Donation Camp at Hirawadi, Bapunagar, on 20-4-2025, which was organized by Dr. Sunil Patel, Pediatrician and our MC member. We had Blood Donation Camp at Krushna Nagar, organized by Dr. Mukesh Khadalia, also our MC member. We are thankful to both for conducting community activities.

We have already started registration for NATCON 2025. All members are requested to register in large number and to participate this Mega Event.

**“We may have all come on different ships,
but we are in the same boat now.”**

-Martin Luther King Jr.

We send our sympathy & condolence to the bereaved family.

Report On Skit Semifinal Dated On 18/04/2025

Ahmedabad Medical Association along with IMA-GSB and IMA-MSN Gujarat organized “All Gujarat Inter Medical College SKIT Competition” amongst all the Medical Colleges of Gujarat. All the Medical colleges were divided in 5 zones for the ease of arrangement and planning. In the college level round, maximum 2 teams per college were decided to take part. Then zone level competition level was held. At the end of zone level competition two best teams were decided to select to participate in Grand Finale. Zonal Coordinators were Dr. Mona Desai, Dr. Urvesh Shah, Dr. Jaydeep Shah, Dr. Nirali Patel and Dr. Vipul Shah who throughout all the stages coordinated the competition along with Local Branch IMA Coordinators. ZONE A semifinal was kept at Auditorium, Ahmedabad Medical Association on 18th April 2025 between 2 to 6 pm. Around 300 audience witness the wisdom and creativity of SKIT presented on stage by students. Judges for this competition were Dipikaben Raval, Chirag Parikh (“Anandbhai”), Nitish Parikh- all are very prominent figures from Gujarati Cinema and Music Industry. Dr. Dhiren Mehta, President, AMA and many dignitaries remain present in the Zone A Semifinals and witnessed the wisdom performed by the students of all the Medical colleges of Ahmedabad. SKITs from SAL Medical College and GMERS Sola got selected to perform in Grand Finale.

All Gujarat Inter Medical College Skit Competition Dated 20/04/2025

Our Gujarat State Branch of Indian Medical Association along with IMA MSN Gujarat organized an Inter Medical College Skit Competition of all 41 Medical Colleges of Gujarat.

These Medical Colleges were divided into 5 groups according to their zones and / Semi final rounds were organized in each zone. Two Best Skit were selected for the Final round.

The Grand Finale Of All Gujarat Inter Medical College Skit Competition was organised on Sunday 20th April – 2025 at Narendra Modi Medical College Hall, Ahmedabad.

The 10 Colleges which participated in Grand Finale were :

- 1 Group A (1) GEMRS Sola Medical College, Ahmedabad
(2) Sal Institute of Medical Sciences, Ahmedabad
- 2 Group B (1) Banas Medical College, Palanpur
(2) Swaminarayan Medical College, Kalol
- 3 Group C (1) Government Medical College, Surat
(2) SMIMER Medical College, Surat
- 4 Group D (1) Dr. N.D. Desai Medical College, Nadiad
(2) Zydus Medical College, Dahod
5. Group E (1) GMERS Medical College, Morbi
(2) GMERS Medical College, Porbandar

All the Medical College Students Performed extremely well.

The esteemed Judges for the Event were

- (1) **Smt Annapurana Shukla – Movie & TV. Artist.**
- (2) **C.A. (Dr) Kabir Mansuri Khan.** Well known Theater Artist, Director, Writer & TV artist.
- (3) **Mr. Shaunakk Vyas** Well known TV Artist, Director, Producer & Writer.

**The judges unanimously announced Following Prizes :**

- (1) Best Skit – Winner – “**લાડકી**”
GMERS Sola Medical College, Ahmedabad
- (2) Best Skill – Runner up – “**હ વચન વિનાશના**”
Sal Institute of Medical Sciences, Ahmedabad
- (3) Best Actor – Vedant Joshi - “**નારદ મુની**”
Dr. N. D. Desai Medical College, Nadiad
- (4) Best Actress – Riddhi Goswami - “**પીડીત માં**”
SMIMER Medical College, Surat
- (5) Best Supporting Actor – Jayrath Shah - (**જયોતિરાવ દુબે**) “**લાડકી**”
GMERS Sola Medical College, Ahmedabad
- (6) Best Supporting Actress – Aditi Joshi - “**રત્ની વકીલ**” “**હ વચન વિનાશના**”
Sal Institute of Medical Science, Ahmedabad
- (7) Best Theme – “**સંઘર્ષ**”
Government Medical College, Surat
- (8) Best Direction - “**લાડકી**”
GMERS Sola Medical College

All in all an excellent and most Successful Event.

We thank Dean of Narendra Modi Medical College, Ahmedabad, Dr. Dipti Shah, for granting us the permission to use their Hall for the event.

We are very much thankful to all the Deans and Coordinators of all the Medical Colleges for their Positive support and cooperation.

We also thank the regional Coordinators for managing Semifinal rounds smoothly.

Our Special thanks to

- | | |
|----------------------------|---------------------------|
| 1. Dr. Mona Desai | 2. Dr. Urvesh Shah |
| 3. Dr. Jaydeep Shah | 4. Dr. Vipul Shah |
| 5. Dr. Nirali Patel | |

Without them the event would not have been this grand success.

It was an ideal event for coordinating Medical Students with GSB IMA.

Report on Blood Donation Camp Dated 20/04/2025

The blood donation camp was organised at Pushpak Arcade, Hirawadi, Bapunagar on 20th April, 2025 between 8:00 am to 2:00 pm. Total 90 registration were done out of which 52 units of blood were collected during the camp organised by Ahmedabad Medical Association in association with Sparsh Neonatal & Pediatric Centre, "Parewada Group" & Ahmedabad Red Cross. Medical Negligence: Case-Based Insights for Clinical Practice

Introduction

Medical negligence refers to a breach of duty by a healthcare provider that leads to injury, harm, or death of a patient. In India, such cases fall under the Consumer Protection Act (CPA) 2019, and under criminal law as per Section 304A of the Indian Penal Code (IPC) — now replaced by Section 106 of the Bharatiya Nyaya Sanhita (BNS), 2023. This article explores landmark medico-legal cases in India to highlight key clinical and legal lessons for safer, more accountable medical practice.

1. Kunal Saha vs. AMRI Hospital (2013)

Case Summary:

Anuradha Saha developed Toxic Epidermal Necrolysis (TEN) while visiting Kolkata in 1998. She was administered a very high dose of Depomedrol (methylprednisolone acetate) by senior physicians at AMRI Hospital without adequate monitoring or justification. Her condition worsened, and she was airlifted to the U.S., where she died.

Allegations:

Overdose of steroids, delayed referral, and lack of specialist consultation.

Legal Proceedings:

After 15 years, the Supreme Court awarded 5.96 crore compensation, the highest ever in Indian medical negligence history.

Key Lessons:

- Use high-risk drugs cautiously and document rationale.
- Always consult experts in complex or rare conditions.
- Follow clinical guidelines meticulously.

2. Nizam Institute vs. Prashant Dhananka

Case Summary:

A young man underwent surgery for a chest tumor at NIMS, Hyderabad.

Postoperatively, he developed irreversible paraplegia. Investigations revealed inadequate intraoperative care and insufficient postoperative monitoring.

Allegations:

Intraoperative mismanagement, poor documentation, and delayed detection of neurological deficit.

Legal Proceedings:

The Supreme Court held the hospital liable and awarded 1 crore as compensation for permanent disability and loss of future income.

Key Lessons:

- High-risk surgeries need thorough planning and consent.
- Multidisciplinary follow-up and documentation are essential.
- Postoperative rehabilitation must be proactive.

3. Jacob Mathew vs. State of Punjab (2005)**Case Summary:**

A patient at CMC Ludhiana developed respiratory distress and died allegedly due to the unavailability of a functional oxygen cylinder during an emergency. The family alleged criminal negligence against Dr. Jacob Mathew and the hospital.

Allegations:

Lack of readiness in emergency setup, failure to provide oxygen, and delay in treatment.

Legal Proceedings:

The Supreme Court emphasized the distinction between civil and criminal negligence. It ruled that to prosecute a doctor under IPC Section 304A (now BNS Section 106), the negligence must be gross, amounting to recklessness or indifference to life. Routine errors or misjudgment do not attract criminal liability.

Key Lessons:

- Emergency preparedness is a hospital's non-negotiable responsibility.

- Clinical misjudgment alone is not criminal unless gross negligence is proven.
- Expert medical opinion is mandatory before initiating criminal proceedings.

4. Martin D'Souza vs. Mohammed Ishfaq (2009)

Case Summary:

Mohammed Ishfaq, a renal patient, sought treatment for a skin ailment from Dr. Martin D'Souza. Allegedly, he was prescribed a drug contraindicated in renal disease, which led to severe complications.

Allegations:

Prescribing nephrotoxic drugs without reviewing patient's renal status and history.

Legal Proceedings:

The Supreme Court observed that medical negligence cannot be decided solely on patient allegations. The court mandated that before issuing notice or proceeding against a doctor, a credible medical expert opinion must be obtained to prevent harassment of medical professionals.

Key Lessons:

- Thorough medical history and lab review is critical in prescribing.
- Protects doctors from unwarranted litigation by enforcing pre-litigation scrutiny.
- Encourages fair investigation through expert peer review.

5. Savita Garg vs. National Heart Institute (2004)

Case Summary:

After a patient's death post cardiac surgery, the hospital denied access to medical records requested by the deceased's wife, Savita Garg, who suspected medical negligence.

Allegations:

Lack of transparency, refusal to provide documentation, suspected concealment of error.

**Legal Proceedings:**

The Supreme Court ruled that hospitals must provide medical records to the patient or their legal heir. Denial amounts to deficiency in service under CPA.

Key Lessons:

- Good documentation and transparency are both ethical and legal imperatives.
- Patients have the right to access their own medical information.
- Maintaining up-to-date and accurate records protects both doctor and patient.

Conclusion:

These landmark medico-legal cases underline the importance of clinical diligence, communication, documentation, and ethical conduct. Learning from these judgments allows healthcare professionals to better serve patients while protecting themselves from avoidable litigation.

Medical excellence and legal compliance must go hand in hand.

Women's Hospital & Endoscopy Centre

DR. DIPAK LIMBACHIYA

M.D., D.G.O., Endoscopy Specialist
Specialist in Advanced LAP Gynaec Surgeries &
LAP Onco Gynaec Surgeries

The EVA hospital and family is extremely delighted to share that our innovative new technique for bowel endometriosis - "Laparoscopic Recto - sigmoid Resection and Anastomosis in Bowel Endometriosis: Single Stapler Technique" another milestone in minimal invasive surgery providing utmost benefits to patients and their recovery, has been published in a renowned Pubmed Indexed International journal, the details of which are shared along with.

Laparoscopic Recto sigmoid Resection and Anastomosis in Bowel Endometriosis: Single Stapler Technique

Background and Objectives : Endometriosis affects 10% of reproductive-age women globally, with bowel endometriosis in 3.8%-37% of cases, primarily involving the rectum and sigmoid. Surgical excision is the gold-standard treatment for deeply infiltrating endometriosis (DIE). Our objective was to evaluate the feasibility, safety, and efficacy of a single-stapler laparoscopic rectosigmoid resection technique for bowel DIE.

Methods : This retrospective study analyzed 17 cases managed from January 2023 - June 2024. Clinical presentation, surgical outcomes, and follow-up data were reviewed. Symptom improvement and complications were assessed during a minimum 3-month postoperative period.

Results: Patients reported progressive dysmenorrhea, dyspareunia, and dyschezia. All anastomoses were tension-free with negative margins; no diversion stomas were needed. Postoperative recovery was smooth, with significant symptom relief and no complications.

Conclusion: The single-stapler technique for laparoscopic recto sigmoid resection is a safe, effective approach for bowel DIE, offering excellent outcomes with no morbidity and significant symptom improvement.

Key Words : Bowel endometriosis, Single stapler surgical technique. Recto sigmoid resection and anastomosis, Deep infiltrating endometriosis, Laparoscopic.

MIRACLES OF CARE

FROM 220 KG TO 99 KG

ADITYA AGARWAL'S INSPIRING WEIGHT LOSS JOURNEY FEELING STRONG WITH LIFE-CHANGING BARIATRIC SURGERY!

At the age of 29, Aditya Agarwal, hailing from Ahmedabad, embarked on a remarkable transformation through bariatric surgery. **Weighing a daunting 220 kilograms**, Aditya made the **life-changing decision to undergo weight loss surgery** to combat persistent health issues associated with obesity, including pre-diabetes stage.

Pre-surgery assessments uncovered hepatomegaly with an elevated presence of fat in the liver tissue. Under the **expert care of Dr. Manish Khaitan, Bariatric Surgeon and Director of Nobesity**, Aditya underwent a **highly successful Laparoscopic Gastric Bypass surgery**. In just 10 months, Aditya achieved a remarkable feat by **shedding an astonishing 80 kilograms**, bringing his weight down to 99 kilograms.

What makes Aditya's story even more remarkable is that, in addition to his weight loss success, he also triumphed over a long-standing smoking habit, with **the invaluable support of Nobesity's dedicated Psychologist**. This dual achievement has allowed Aditya to embrace life like never before. From **struggling with a 60-inch waist, he now comfortably fits into a 48-inch**. Aditya has rekindled his passion for activities he once thought were impossible - walking, visiting factories, traveling, and even swimming. His journey serves as a beacon of hope for anyone on their own weight loss and smoking cessation journey, demonstrating **the transformative power of commitment and expert care**.

Aditya's story is a hope for anyone on their weight loss journey.
